

BOARD OF DIRECTORS
EXECUTIVE MEETING
MARCH 31,2007

A get together in Friendship Park took place after the RV Holding Committee vote count was completed.

All five board members were present as well as the RV Holding Committee and several owners.

The vote was NO 228 and YES 480, not enough for the 718 plus 1 yes votes needed. A heated discussion took place and it was suggested that Mark speak to the attorney to clarify the votes needed. The possibility of a second opinion was suggested.

Mark has been meeting with Pridmore's regarding the cost of yearly storage. It has been suggested keeping storage at \$300 a year for all R-Ranch owners if we drop the holding area project. The holding committee agreed for the present.

The RV Holding Committee will hold three BBQs this summer to help recover monies spent on mailing and other expenses.

The meeting was adjourned.
