Ken McArdle addressed the assessment increase for the 2004 dues.

This was needed because of the very large increase of the fixed cost expenses to

The ranch. ie: Liability Insurance, Health Insurance, and Workman's Compensation

Prop. Taxes. Etc.

We have no control over these expenses.

Many hours were spent on the budget, Thank you To Paul Adams, Kathy Dolby,

Pete Politi. And Candace Patterson

Owner John Low #1002

Concerned about the increases in payroll. Paul Adams has cut back on staff.

Jerry Prideaux #605 concern with the Reserves and Delinquencies

Kathy Doulabi has researched all the different departments

And the new budget will be more on target

And we will continue to fund the reserves as scheduled.

A suggestion was made to research the lowering of the property taxes

Because of the devalue of the ranch shares.

Rodger Plato #640

Assessments of \$750 are to low. Where are we going to get the \$200,000 to run the ranch?

Kathy Doulabi clarified the areas we will be getting the funds.

New Business,

Cal Trans will need and easement to stabilize the hillside.

The Ranch will receive payment for this easement.

Motion was made to approve this.

All present Board members approved.

Ken McArdle

Had one letter he wanted to read. Some owners are living on the ranch. Owners are Upset about it. They are following the 30-day rule. Some owners are upset about the trailer increase. That is a separate business from the ranch.

Owner Tanya Michaels #240

Trailer rates did not go up.

Owner comments:

John Low #1002

Concerned that when the owners at Lake Berryessa have to move out of the lake Area they may buy in here for living purposes.

Jerry Prideaux #605, regarding smoking by the playground. Do we have signs saying no smoking?

We posted signs over a year ago. He also proposed no smoking in the pool area.

Ken McArdel suggested we put the matter up to the owners to decide.

Meeting was adjourned at 1:30 pm

Next Board Meeting will be January 17, 2004

Respectively,

Alyce Cardinale, Secretary
